12 Clerk PSEs Converted

The PSE Conversion MOU is still working! The last 2 months 12 PSEs have been converted to FTR. We will continue our vigilance in converting PSEs. We are continuing to monitor all the residual vacancies and work to insure they do not disappear on us. We have full expectations that there will be more conversions from the November Clerk Awards.

**Congratulations to all newly
converted PSEs!!**

If you have any questions please contact your Steward or call the Union Hall at 271-0853.
